

Solar L-Foot Bracket

- Universal L-Foot is compatible with most solar applications
- Provides unobstructed access to mounting clamps
- Adjustable height & width adapts to a variety of panels/clamps
- Serrated hex nut locks tight and prevents back out
- Common 3/8 bolt, as used on our AceClamp®
- Assembly includes L-Foot and Bolts. Clamp is sold separately.
- Rigorous 3rd party testing ensures quality & performance

Shown: Part# 5058-LF

Specifications

AceClamp® Solar L-Foot works with all of our standing seam clamps and most racking systems!
