

SOLAR PV MOUNTING KITS **COST-EFFECTIVE SOLAR SOLUTIONS**

US Patent #8,505,864

CUSTOM FIT "END SUPPORTS"

Assures even pressure at the edges and reliable connections.

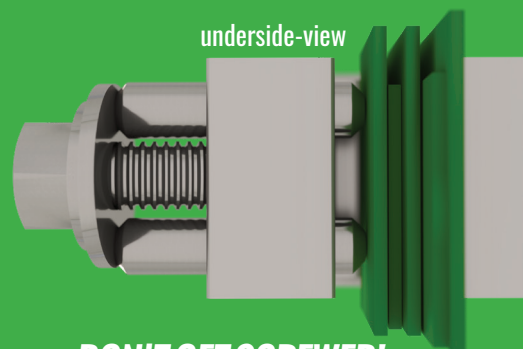

SAVE TIME & LABOR COSTS

Pre-assembled kit saves by securing panels without a racking system.

FASTER INSTALLING!

Get more done in HALF THE TIME- only one fastener.

underside-view

DON'T GET SCREWED!

Our clamp uses a patented "slide-pin" design versus set screws-preserving your panel warranty.

INSTALL WITH CONFIDENCE

- ✓ Universal kit for every pv panel size
- ✓ Engineers on staff for consulting
- ✓ Non-corrosive aluminum & stainless steel material
- ✓ Arrives fully-assembled
