

SOLAR PV MOUNTING KITS COST-EFFECTIVE SOLAR SOLUTIONS

- **MADE IN THE USA**
Parts are readily available with fast turnaround times!

- **CUSTOM FIT "END SUPPORTS"**
Assures even pressure at the edges and reliable connections.

- **INTEGRATED SAFETY**
Grounding slot for wire security.

- **DON'T GET SCREWED!**
Our clamp uses a patented "slide-pin" design versus set screws- preserving your panel warranty.

- **FASTER INSTALLING!**
Get more done in HALF THE TIME- only 1 panel fastener.

- **TIGHT SECURE GRIP**
More teeth top and bottom for reliable panel connection.

US Patent #8,505,864
